

Foley Sound Synthesis

Zi Meng, Shaun Ranade, Evgeny Milov

What is Foley?

Objective

To create novel foley sound files based on the provided foley sound datasets.

Why?

To make sound design and post-production workflow more time and cost-effective.

Training Data

5496 .wav files spread between 7 categories: Dog Bark, Footstep, GunShot, Keyboard, MovingMotorVehicle, Rain, Sneeze/Cough

Model Pipeline
